Expects to Pay Part of Anglo-French Loan, Due in October, From Proceeds.

PARIS, Sept. 13.—The French Ministry of Finance, it is learned, will pay a part of the \$250,000,000 due in October from the Anglo-French loan from the proceeds of a resale of the American army stocks which it purchased, and upon which New York bankers will advance sums reported to amount to \$25,000,000.

The Harris Brothers Company of Chicago has engaged to become the sales agent of the French Government for the disposal of stocks estimated at more than \$150,000,000 in value.

The stocks include an immense variety of articles, including woolen goods, harness, wagon wheels, hardware, canned foods and tools, a considerable quantity of which probably will be resold in the United States, some in South America and the remainder in Europe.
